Total points (Total scores in each column)									
Discuss everyone's top scoring change options as a group and reach an agreement on the four priority options for your practice.									
Mark 4 priority change options									
Discuss and reach an agreement on the order of the change options (Mark 2 for first 6-month MOC project, 2 for second 6-month MOC project).									
2 selections for 1st MOC project									
2 selections for 2nd MOC project									

*Core Strategies: Highly recommended to add or expand use of any of these that your practice is not currently using on a routine basis.

**Since new patient education materials will be provided through the study, this change option would be new for all practices.
